BIKINI

The classic cut that covers yet reveals just right

LOW RISE BIKINI

If Bikini is still not revealing enough nor sexy enough for your taste, Low rise bikini is what you should aim for

Hipster

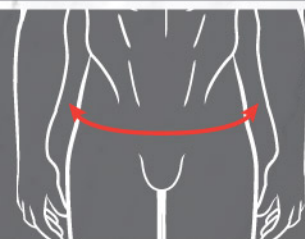

When nerdy boy turning wild, hipster would be a great choice. Shorter than Trunk yet not as revealing as Mini brief. Safe yet sexier.

THONG

The ultimate underwear that doesn't really cover any skin. But it managed to cover up the crucial parts with only few string to hold the brief together
